

ALDO ♦ MARTINS

maritim club

A club by the sea, where palm
trees sway and the air carries
a salty breeze

Aldo Martins presents the
spring/summer 2026 collection

maritim club

Fresh colours and playful prints
blend with soft romance and
sporty elegance — midi skirts,
polo collars, and a refined,
relaxed attitude.

And when night falls, the club transforms: fabrics shimmer, prints ignite, and elegance turns into celebration, with echoes of the Orient and exotic accents.

Each look is a postcard from a
moment lived, imagined,
or dreamed...
